

LESSON 1: CHATGPT

The Lead Architect - Blueprinting the Lesson

I DO: The Architect's Vision

Demonstrating the shift from generic 'Flat Prompts' to 'Architected Prompts' using Role, Task, Steps, and Constraints.

WE DO: The Drafting Session

Collaborative iteration on a pain-point topic to build a classroom 'hook' and conceptual analogies.

YOU DO: The Architect's Extension

Assignment: Identify logic gaps in an existing lesson and generate three 'Breakthrough Activities'.
