

Video P-1.1: The End in Mind

Course: Vault-P Office Productivity & Workflow Engineering

MODULE OVERVIEW

Goal: Design day around deliverables, not tasks.

1. CONTEXT (THE HOOK) [0:00 - 0:25]

Stop reacting to pings. Start with the blueprint of your finished work.

2. ROLE (THE STRATEGIC DEMO) [0:25 - 1:45]

Explain the 'Architectural Blueprint' vs 'Construction Crew' mindset.

3. ACTION (THE PRO TOOLS) [1:45 - 3:00]

Demonstrate defining 'Done' for 3 major goals before opening email.

4. FRAMEWORK (THE STUDENT TASK) [3:00 - 3:45]

C.R.A.F.T. Task: Write your 3 'Done' statements for tomorrow tonight.

5. TARGET (THE WRAP-UP) [3:45 - 4:00]

Don't pour concrete without a plan. I'll see you in the next build.

Production Checklist for Michael:

Visual of a blueprint. Split screen: Messy List vs. Done Statements.
