

# Video P-1.2: Eating the Frog

Course: Vault-P Office Productivity & Workflow Engineering

## MODULE OVERVIEW

**Goal:** Prioritize high-friction/high-value tasks first.

### 1. CONTEXT (THE HOOK) [0:00 - 0:25]

Your brain is a battery. Use your highest charge on your hardest task.

### 2. ROLE (THE STRATEGIC DEMO) [0:25 - 1:45]

Explain the biological logic of 'Decision Fatigue.'

### 3. ACTION (THE PRO TOOLS) [1:45 - 3:00]

Show calendar blocking the first 90 mins for the 'Hard Thing.'

### 4. FRAMEWORK (THE STUDENT TASK) [3:00 - 3:45]

C.R.A.F.T. Task: Identify your 'Frog' for tomorrow and block 9:00-10:30 AM.

### 5. TARGET (THE WRAP-UP) [3:45 - 4:00]

Eat the frog, own the day. I'll see you in the next build.

#### Production Checklist for Michael:
