

Video P-2.1: Digital Muda

Course: Vault-P Office Productivity & Workflow Engineering

MODULE OVERVIEW

Goal: Identifying and eliminating non-value-added movement.

1. CONTEXT (THE HOOK) [0:00 - 0:25]

Hiding in your computer are 8 wastes stealing your time. Let's hunt them.

2. ROLE (THE STRATEGIC DEMO) [0:25 - 1:45]

Introduce the D.O.W.N.T.I.M.E. acronym through an office lens.

3. ACTION (THE PRO TOOLS) [1:45 - 3:00]

Demonstrate the 'One-Touch' rule for emails and file sorting.

4. FRAMEWORK (THE STUDENT TASK) [3:00 - 3:45]

C.R.A.F.T. Task: Find 3 'Over-processing' emails in your sent folder and audit them.

5. TARGET (THE WRAP-UP) [3:45 - 4:00]

Efficiency is the removal of friction. I'll see you in the next build.

Production Checklist for Michael:
